

Pathology Medical Team

Meet Your Expert Team of Pathologists

Bako Diagnostics provides our physician partners with access to our highly-trained pathology team members. Our medical professionals specialize in lower extremity pathology including; skin, soft tissue and bone.

As a provider of a wide array of pathology services, we are honored to partner with you in the management of your patients, whether related to the diagnosis and treatment of dermatitis or neoplasms of the skin, assessment of nail pathologies, and the diagnosis of small fiber neuropathy.
